- Tech: Dart, GitHub API, Hugging Face AI

ACHIEVEMENTS

- Represented at **Kabaddi District Match – Runner.**
- Represented at **Kabaddi Zonal Match – Winner.**

LEADERSHIP ACTIVITY

I have leadership experience from school and served as class representative in 2nd year, which taught me group management and communication.

Recently, I organized a reunion trip for 25 friends after five years. These experiences helped me apply and strengthen my leadership and planning skills.

STRENGTH

My strengths are that I am an active person and a good listener. Once I begin a task, I see it through to completion. I also enjoy helping others and am always eager to learn new skills.

LANGUAGE

1. Tamil
2. English
